

Hoses and System Accessories

Number	Description
1	75 Series coaxial hose
2	F2F2 whip hose
3	CX6-VV3A non-vapor ready multi-product dispenser hose adapter
4	CX6-A non-vapor ready dispenser hose adapter
5	F3F2 metric-type whip hose
6	S4F2 balance-type whip hose
7	8701VV breakaway
8	807 swivel breakaway

75 Series Coaxial Hose

Manufactured with a swivel on each end to provide the ease of handling customers prefer. Inverted coaxial design reduces hose size and the steel braided, premium, abuse-resistant outer hose assures long service life and low maintenance. Available in up to 20' lengths.

F2F2 Whip Hose

Standard inverted coaxial with fixed, Healy thread hose ends.

CX6-VV3A Non-Vapor Ready Multi-Product Dispenser Hose Adapter

Converts a non-vapor ready high-hose multi-product dispenser to Healy's inverted coaxial hose thread.

CX6-A Non-Vapor Ready Dispenser Hose Adapter

Converts a non-vapor ready conventional dispenser thread to Healy's inverted coaxial hose thread.

F3F2 Metric-Type Whip Hose

Adapter-type whip hose allows direct connection to the metric balance hose outlet without the need for a hose adapter.

S4F2 Balance-Type Whip Hose

Adapter-type whip hose allows direct connection to the balance hose outlet without the need for a hose adapter.

8701VV Breakaway

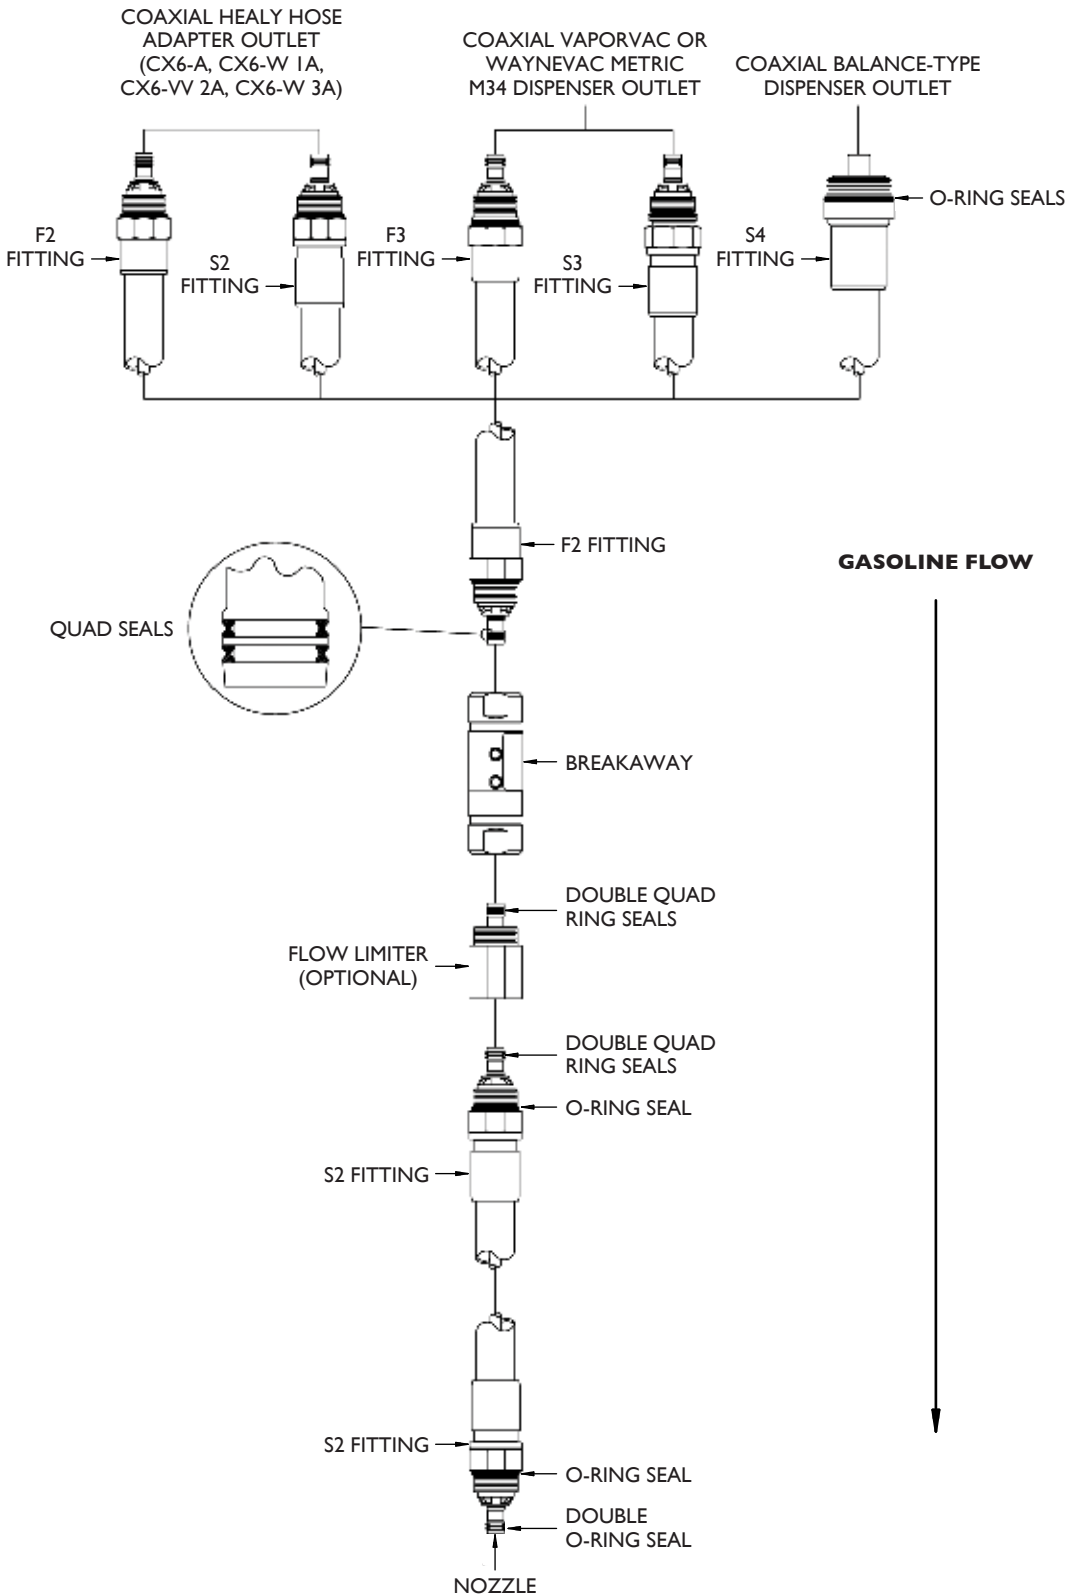

Full product and vapor shut-off, with 350 lbs. separation force. Spare shear screw allows ease of field repair in the event of a drive-off.

807 Swivel Breakaway

Breakaway and nozzle swivel in one. Allows for easier far side fueling. Full product and vapor path shut-off, with 350 lbs. separation force. Spare shear screw allows ease of field repair in the event of a drive-off.

Standard Healy and Whip Hoses

Hanging Hardware Selection Options with 8701VV Breakaway and 1301 Flow Limiter

75 Series 3/4" Standard Healy Hose

Healy straight threaded swivels at nozzle and breakaway ends.

Model	Description
75B-030-S2S2	3' standard Healy coaxial hose
75B-035-S2S2	3-1/2' standard Healy coaxial hose
75B-040-S2S2	4' standard Healy coaxial hose
75B-045-S2S2	4-1/2' standard Healy coaxial hose
75B-050-S2S2	5' standard Healy coaxial hose
75B-055-S2S2	5-1/2' standard Healy coaxial hose
75B-060-S2S2	6' standard Healy coaxial hose
75B-065-S2S2	6-1/2' standard Healy coaxial hose
75B-070-S2S2	7' standard Healy coaxial hose
75B-075-S2S2	7-1/2' standard Healy coaxial hose
75B-080-S2S2	8' standard Healy coaxial hose
75B-085-S2S2	8-1/2' standard Healy coaxial hose
75B-090-S2S2	9' standard Healy coaxial hose
75B-095-S2S2	9-1/2' standard Healy coaxial hose
75B-100-S2S2	10' standard Healy coaxial hose
75B-105-S2S2	10-1/2' standard Healy coaxial hose
75B-110-S2S2	11' standard Healy coaxial hose
75B-115-S2S2	11-1/2' standard Healy coaxial hose
75B-120-S2S2	12' standard Healy coaxial hose
75B-125-S2S2	12-1/2' standard Healy coaxial hose
75B-130-S2S2	13' standard Healy coaxial hose
75B-135-S2S2	13-1/2' standard Healy coaxial hose
75B-140-S2S2	14' standard Healy coaxial hose

- Notes: 1. Healy hoses are available from three feet up to 20 feet; contact factory for pricing and availability of lengths not shown. Hoses are CARB-approved for overall assembly lengths up to 20 feet, including breakaway and whip hose.
 2. Hoses are supplied in black unless otherwise specified. To order a hose in a color other than black, replace "B" with the code as follows: BL = blue, G = green, R = red. Consult factory for pricing. Adder charge applies for hose colors other than black.

75 Series 3/4" Standard Whip Hose

For use with 8710VV breakaway and S2S2 product hose.

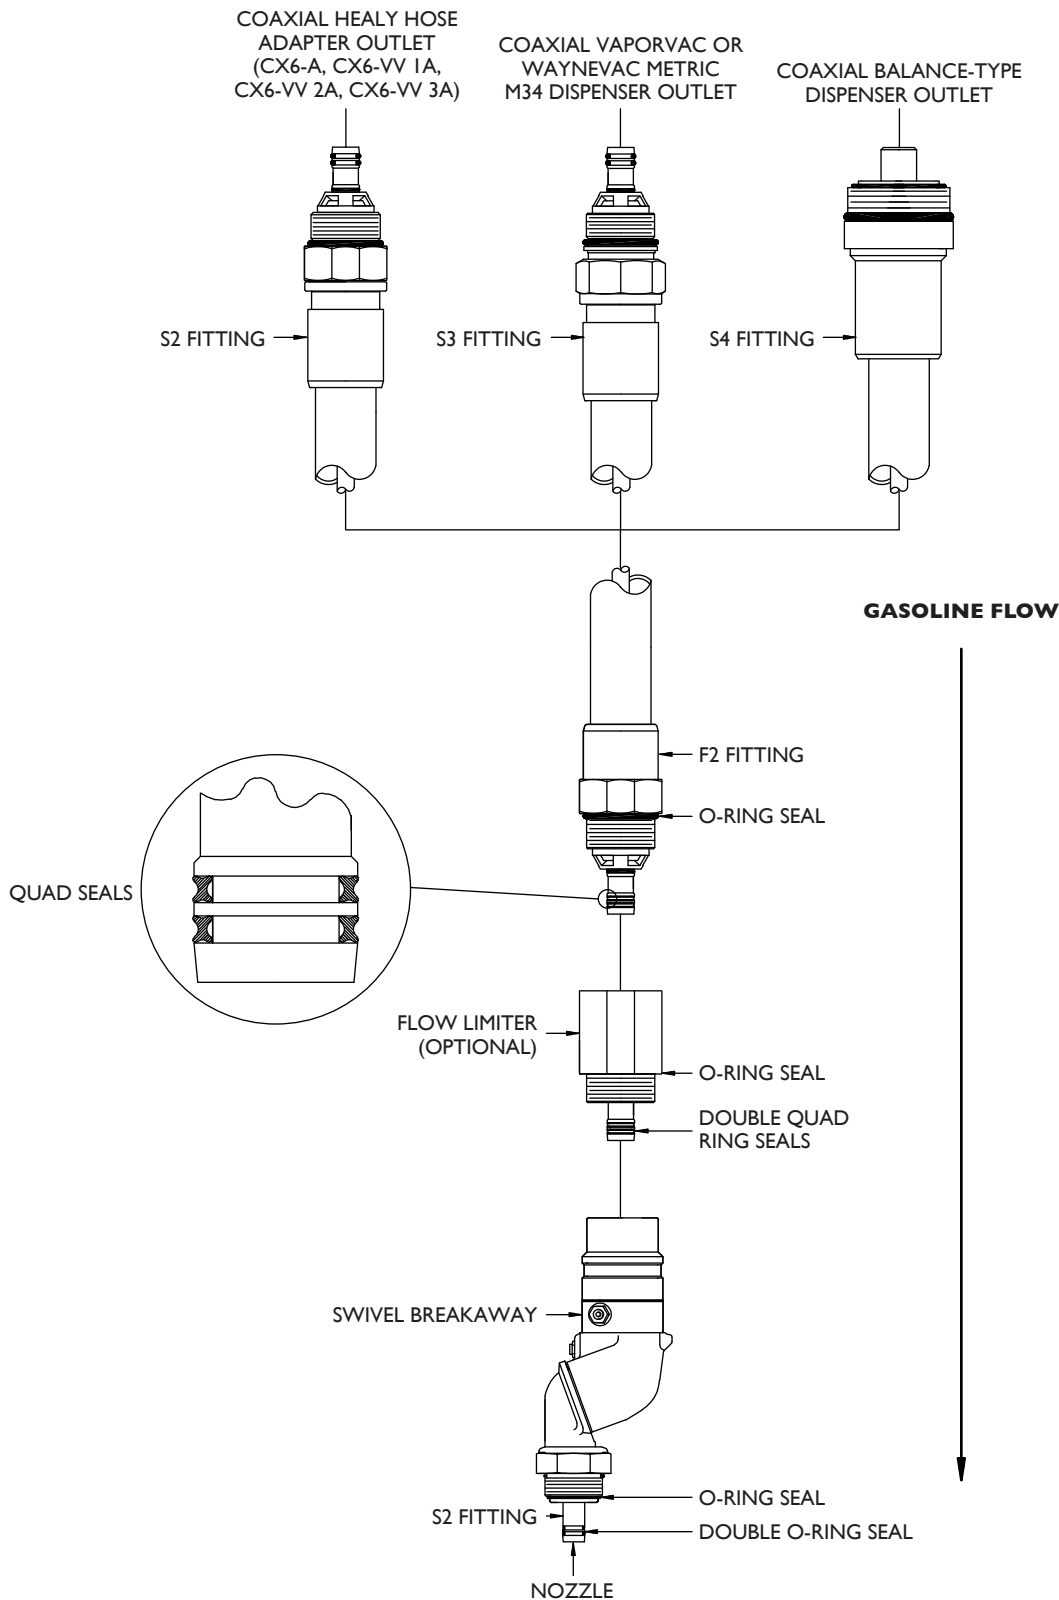

Model	Description
75B-008-F2F2	Healy straight thread, fixed ends on breakaway and dispenser ends
75B-008-F3F2	Healy straight thread, fixed end on breakaway end, metric thread on dispenser end
75B-008-S2F2	Healy straight thread, fixed end on breakaway end, swivel end on dispenser end
75B-008-S3F2	Healy straight thread, fixed end on breakaway end, metric swivel thread end on dispenser end
75B-010-S4F2	Fixed end on breakaway end, balance swivel end on dispenser end

- Notes: 1. Hose ends are defined as follows: F2 = fixed ends with Healy straight thread, F3 = fixed ends with metric M-34 thread, S2 = swivel ends with Healy straight thread, S3 = swivel ends with metric M-34 thread, S4 = swivel ends with balance-type thread.
 2. Hoses are supplied in black unless otherwise specified. To order a hose in a color other than black, replace "B" with the code as follows: BL = blue, G = green, R = red. Consult factory for pricing. Adder charge applies for hose colors other than black.

Metric- and Balance-Ready Hoses

Hanging Hardware Selection Options with 807 Swivel Breakaway and 1302 Flow Limiter

Dispensing Systems

75 Series 3/4" Healy Hose for Metric-Ready Dispensers

Healy straight thread fixed at 807 swivel breakaway or nozzle and metric thread swivel at dispenser outlet.

Model	Description
75B-080-S3F2	8' metric-ready dispenser coaxial hose
75B-085-S3F2	8-1/2' metric-ready dispenser coaxial hose
75B-090-S3F2	9' metric-ready dispenser coaxial hose
75B-095-S3F2	9-1/2' metric-ready dispenser coaxial hose
75B-100-S3F2	10' metric-ready dispenser coaxial hose
75B-105-S3F2	10-1/2' metric-ready dispenser coaxial hose
75B-110-S3F2	11' metric-ready dispenser coaxial hose
75B-115-S3F2	11-1/2' metric-ready dispenser coaxial hose
75B-120-S3F2	12' metric-ready dispenser coaxial hose
75B-125-S3F2	12-1/2' metric-ready dispenser coaxial hose
75B-130-S3F2	13' metric-ready dispenser coaxial hose
75B-135-S3F2	13-1/2' metric-ready dispenser coaxial hose
75B-140-S3F2	14' metric-ready dispenser coaxial hose

Note: Hoses are supplied in black unless otherwise specified. To order a hose in a color other than black, replace "B" with the code as follows: BL = blue, G = green, R = red. Adder charge applies for hose colors than black.

75 Series 3/4" Healy Hose for Balance-Ready Dispensers

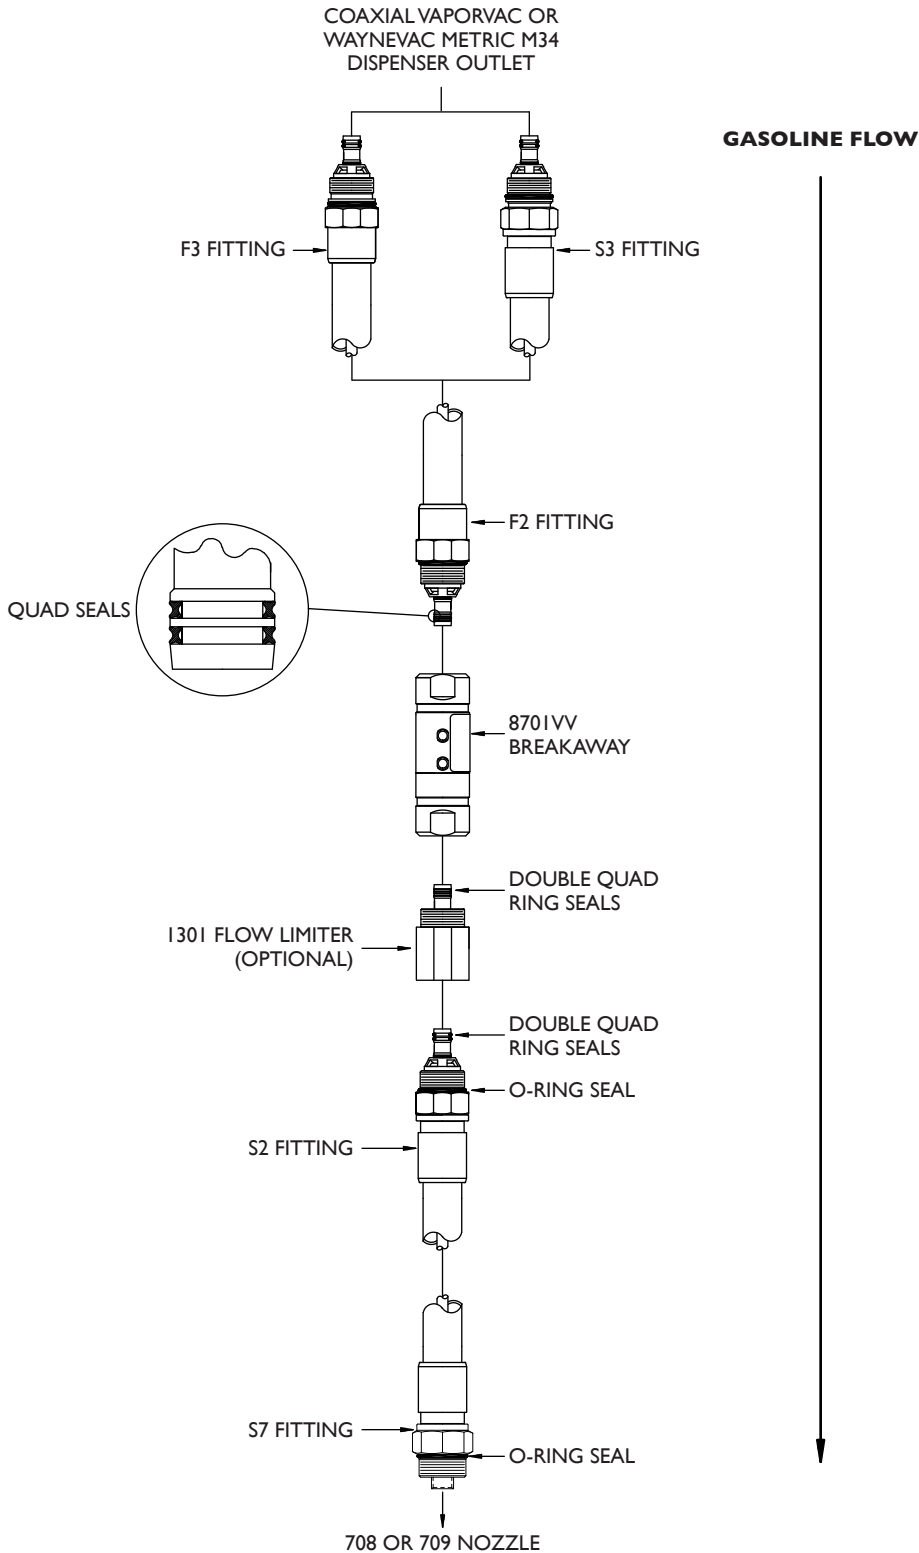

Healy straight thread fixed at 807 swivel breakaway or nozzle and balance-type thread swivel at dispenser outlet.

Model	Description
75B-080-S4F2	8' balance-ready dispenser coaxial hose
75B-085-S4F2	8-1/2' balance-ready dispenser coaxial hose
75B-090-S4F2	9' balance-ready dispenser coaxial hose
75B-095-S4F2	9-1/2' balance-ready dispenser coaxial hose
75B-100-S4F2	10' balance-ready dispenser coaxial hose
75B-105-S4F2	10-1/2' balance-ready dispenser coaxial hose
75B-110-S4F2	11' balance-ready dispenser coaxial hose
75B-115-S4F2	11-1/2' balance-ready dispenser coaxial hose
75B-120-S4F2	12' balance-ready dispenser coaxial hose
75B-125-S4F2	12-1/2' balance-ready dispenser coaxial hose
75B-130-S4F2	13' balance-ready dispenser coaxial hose
75B-135-S4F2	13-1/2' balance-ready dispenser coaxial hose
75B-140-S4F2	14' balance-ready dispenser coaxial hose

Notes: 1. Healy hoses are available from three feet up to 20 feet; contact factory for pricing and availability of lengths not shown. Hoses are CARB-approved for overall assembly lengths up to 20 feet, including breakaway and whip hose.
 2. Hoses are supplied in black unless otherwise specified. To order a hose in a color other than black, replace "B" with the code as follows: BL = blue, G = green, R = red. Adder charge applies for hose colors other than black.

700 Series Hanging Hardware Options

Dispensing Systems

75 Series 3/4" 700 Series Healy Hose

Healy straight thread swivels at breakaway ends.

Part Number	Description
75B-080-S2S7	8' standard Healy coaxial hose
75B-085-S2S7	8-1/2' standard Healy coaxial hose
75B-090-S2S7	9' standard Healy coaxial hose
75B-095-S2S7	9-1/2' standard Healy coaxial hose
75B-100-S2S7	10' standard Healy coaxial hose
75B-105-S2S7	10-1/2' standard Healy coaxial hose
75B-110-S2S7	11' standard Healy coaxial hose
75B-115-S2S7	11-1/2' standard Healy coaxial hose
75B-120-S2S7	12' standard Healy coaxial hose
75B-125-S2S7	12-1/2' standard Healy coaxial hose
75B-130-S2S7	13' standard Healy coaxial hose
75B-135-S2S7	13-1/2' standard Healy coaxial hose
75B-140-S2S7	14' standard Healy coaxial hose

- Notes: 1. Healy hoses are available from three feet up to 20 feet; contact factory for pricing and availability of lengths not shown.
2. Hoses are supplied in black unless otherwise specified. To order a hose in a color other than black, replace "B" with the code as follows: BL = blue, G = green, R = red. Adder charge applies for hose colors other than black.

75 Series Coaxial Hose Adapters

Model	Description
CX6-A	Hose adapter, non-vapor ready, NPT
CX6-AE	Hose adapter, non-vapor ready, BSP, international only
CX6-W3A	Hose adapter, non-vapor ready, multi-product units

75 Series Standard and Balance-Ready Healy Hose Breakaways

Model	Description
715VV	Repair kit for 8701VV breakaway, includes valves and O-rings
761	Nozzle end for 8701VV breakaway scuffguard
762	Dispenser end for 8701VV breakaway scuffguard
787	Nickel plated brass shear screw for 8701VV
787-1	Nickel plated brass shear screw for 807 swivel breakaway
795	Clamp repair tool for 8701VV and 807 breakaway
807	Swivel breakaway installed between hose and nozzle
8701VV	Standard hose breakaway with vapor path shut-off, 350 lbs. strength
Z055	O-ring kit for 8701VV with nickel plated shear screw

Dispenser Vapor Retrofit Kits*

Model	Description
Z008	Standard for single-hose dispenser
Z009	Standard for dual-hose dispenser
Z044C	Universal for six-hose multi-product dispenser
Z046C	Universal for four-hose multi-product dispenser
Z047C	Universal for two-hose multi-product dispenser

*Hose adapters are not included in retrofit kits.

Hose Accessories and Spare Parts

Model	Description
516	Hose end O-ring for S4 hose end, large
1301	Hose flow limiter for 8701VV standard breakaway, installed between breakaway and main hose
1302	Hose flow limiter for 807 swivel breakaway, installed between main hose and nozzle
8103	Hose clamp
HB-2	Hose end O-ring, large
HB-4	Hose end quad ring
