

Advantages

- Broad communication capabilities via modem, local or wide area networks, satellites, DSL, cable or other high-speed internet-based methods.
- Gathers specified data in a user-defined polling schedule or in real-time.
- Inventory can be monitored as needed to precisely schedule deliveries.
- Deliveries are forecast from current inventory usage rates.
- Provides centralized control of all compliance information such as tank and line leak testing data and leak detection sensor status.
- Access to information can be controlled for multiple users.
- A wide variety of reports can be custom-scheduled, displayed and printed or faxed at specific times.
- Communicates with all major tank gauge brands.
- Supports an unlimited number of sites.
- Offers immediate notification of alarms for corrective action.

System Sentinel *AnyWare*™ Internet Enabled Fuel Management Software

System Sentinel *AnyWare*™ is an internet based fuel management package designed to provide you with unparalleled monitoring and control capabilities. Residing on a local server in your home office, System Sentinel *AnyWare*™ will allow your personnel to access site information through any web browser.

Specifications

- Server:
 - Microsoft Windows server operating system.
 - 933 MHz Pentium III with 512 MB of physical memory.
 - 100 MB for the application and 500 MB to 1 GB for the database disk space.
 - Second processor will boost performance significantly.
- Third Party application:
 - Microsoft Internet Server (IIS) web server.
 - Microsoft SQL server.
 - Seagate Crystal Reports server.

Capabilities

- The powerful rules engine of the System Sentinel *AnyWare*™ allows you to manage by exception by automatically forwarding alarm, leak test and inventory information to the appropriate people when immediate attention is required.
- Capable of communicating to an unlimited number of sites using your WAN (wide area network) or a bank of multiple modems. System Sentinel *AnyWare*™ will quickly collect your site information and get it to you to help you run your business.
